## **October Meeting Highlights**

Fraud Prevention was the topic of the October 24, 2006 meeting held at Michigan Schools and Government Credit Union in Troy, MI. An FBI agent discussed the risks that credit unions face daily. Some of the hot topics addressed were mortgage, plastic card and e-mail fraud.

The Chapter Bingo Night was a huge success – again. Ten credit unions participated in the fun on October 16, 2006, with 161 credit union staffers in attendance. If you missed out, plan to attend next year. It's always a lot of fun.

Plan for your credit union to participate in the OLSHA Walk for Warmth in February. Once again, the Oakland Chapter will donate \$100 for every credit union that participates in the Walk and raises at least \$100. This is a great community cause. The funds raised for this event go toward paying heating bills of financially struggling households in Oakland County. The Walk will commence at the Palace of Auburn Hills on February 17, 2007. Look for more details coming soon.

## **Join Us At Our Next Meeting!**

Our next Chapter meeting is one that no credit union manager can afford to miss. John Kolhoff of OFIS and Gerry Gracey of NCUA are scheduled to speak on the topic "Preparing for Your Next Exam." This is a great opportunity to gain insight into regulatory expectations for credit union due diligence, risk assessments, disaster recovery and other examination issues. The meeting will be held on Tuesday, November 14 at T&C Federal Credit Union in Pontiac.
