

Oakland County Chapter Of Credit Unions

Chapter eNews

March 2007

Mark your calendars for several important Chapter events.

April 16 – Oakland County Chapter Annual Meeting. Join us for lunch at the Troy Marriott. Our guest speaker will be Michigan Senate Majority Leader, Mike Bishop. The meeting will begin at 12:00 noon and the cost is \$40 per person. Be sure to get your registrations in. A second meeting notice will be coming to you soon.

May 8 – Oakland County Chapter meeting with elected officials in Lansing. The Chapter has chartered a bus to take all attendees to Lansing where we will meet with members of the State Senate and House. Patrick La Pine of the Michigan Credit Union League will provide a legislative update on the way to Lansing. The trip will include lunch with legislators representing Oakland County and a tour of the state capitol building. The bus will pick up at three sites: MCUL Northville headquarters, Michigan Schools and Government Credit Union's Troy office and the Oakland County Airport. This is a great event for those who are interested in getting involved in legislative advocacy and also those with more experience in government affairs. The Chapter would like to get at least 40 credit union representatives to attend. Make sure your credit union is represented by at least one representative. Attendance is free. More information will be distributed soon.

June 7 – Oakland County Chapter Golf Outing at Links of Novi. The golf committee is gathering prizes for this event and would greatly appreciate you asking your primary vendors for donations. Contact Deb Thompson if you are successful in getting prize donations. Look for the registration flyer at the Chapter Annual Meeting and in your mail soon.

With summer in sight, it's time to start planning for your credit union to sell Cedar Pointe tickets. The Chapter will be coordinating ticket sales again this year. Watch for more information coming to you soon.

Credit union involvement in the 2007 OLSHA Walk for Warmth resulted in a record success. Fifteen credit unions helped raise pledges totaling over \$30,000! This included \$1,500 in matching funds from the Oakland County Chapter.
